Notes

-
- (1) Of the total OXT referenced in footnote (i) to the release schedule, the amounts listed in the above table are expected to be granted to various persons and released from the Orchid treasury, as noted above. Orchid is considering releasing this OXT through one or more smart contracts that would be designed to operate in accordance with the criteria in the above table.
 - (2) Certain conditions may apply to invalidate portions of the expected release of OXT noted in the table above. In this event, the applicable OXT amounts could be released earlier or remain in the Orchid treasury depending on the particular circumstances.
